

# Lab 6 Report

Đỗ Hoàng Mỹ Dung – ITITWE21040

The image shows a login page for a 'Student Management System'. The page has a purple gradient background. In the center is a white login form. At the top of the form is a lock icon followed by the word 'Login' and the text 'Student Management System'. Below this are two input fields: 'Username' with the placeholder 'Enter your username' and 'Password' with the placeholder 'Enter your password'. There is a checkbox labeled 'Remember me' and a blue 'Login' button. At the bottom of the form, under the heading 'Demo Credentials:', there are two lines of text: 'Admin: username: admin / password: password123' and 'User: username: john / password: password123'.

*Figure 1: Login page*

The image shows the same login page as Figure 1, but with an error message. A red box with a white 'X' icon and the text 'Invalid username or password' is displayed above the username input field. The username field now contains the text 'student'. The rest of the form, including the password field, the 'Remember me' checkbox, the 'Login' button, and the 'Demo Credentials' section, remains the same as in Figure 1.
